Introduction

The National Police Defense Foundation is a congressionally recognized and IRS designated 501(c)(3) non-profit foundation that provides important medical and legal support services to the law enforcement community.

The NPDF funds several law enforcement and child safety initiatives, such as Operation Kids, Safe Cop, Project Safe Net and Save a First Responder through membership dues and public donations.

The NPDF works for the interest of Federal Agents, Sheriffs, Police Chiefs, State Troopers, County and Local Law Enforcement personnel. Its roles exceed over 205,000 members and supporters worldwide, many of which include corporate, professional and associate members.

The NPDF membership over the years, has expanded internationally with members in Europe, Asia, South America and the Caribbean.

The NPDF would like to thank you for your continued support.

Joseph Occhipinti

Joseph Occhipinti,
Founder & Executive Director

Operation Kids™

The "Operation Kids" program is a multi-faceted NPDF child safety program that distributes free child fingerprint/DNA kits to parents, sponsors youth athletic events, posts periodic rewards on missing children, offers grants and scholarships and arranges life saving operations for critically ill children. This program was personally endorsed by John Walsh of America's Most Wanted and profiled on CBS Early Show.

Emma Robertson, Joseph Hopkins, Leandro Taveras, benefitted from Operation Kids.

PROJECT Safe Net

The NPDF is the proud sponsor of "Project Safe Net" addressing the serious increase of pedophile activity on the internet that has been victimizing our children. The program will reward any child with a \$1,000 U.S. Savings Bond for information that leads to the arrest and conviction of any pedophile operating on the Internet.

SAFECOP PROGRAM

The NPDF congressionally recognized "Safe Cop"™ posts up to a \$10,000 reward for public information leading to the arrest and conviction of any person who shoots at a law enforcement officer anywhere in the United States. This program has been credited for numerous defendant convictions and also provides financial and medical assistance to disabled law enforcement officers and families of officers killed in the line of duty.

SAVE A K9 OFFICER

The NPDF also funds the "Save a K-9 Officer" program which addresses the serious increase of armed assaults on K-9 Police dogs by donating bullet proof vests to law enforcement agencies for their K9 officers and dogs.

The NPDF funds "Save a First Responder" program, which will post a \$10,000 reward for public information leading to the arrest & conviction of any person or criminal act resulting in the death of a first responder.

Medical Support Services

The NPDF is nationally renowned for providing free medical and psychological services to law enforcement officials who have become disabled in the line of duty. The NPDF will periodically establish upon request a medical fund to help the officer pay outstanding medical debt. Due to the serious increase of Post-Traumatic Stress Disorder (PTSD) and police suicides, the NPDF has an affiliation with the "COP 2 COP" program which offers free confidential counseling to active and retired law enforcement and police safety officers via a 24/7 hotline.

NPDF Legal Defense case profiled on the NBC Today Show.

The NPDF mission statement is to "protect and support" the interests of law enforcement. Too often, dedicated law enforcement officers are victimized by criminal elements that fabricate allegations of misconduct. The NPDF has been credited in exposing many of those injustices on national news shows, such as 60 Minutes, NBC Date Line, Fox News, CNN among others.

The NPDF offers (via its member attorneys) a free legal consultation to its members who experience a job related legal problem.

ANNUAL AWARDS DINNER

The NPDF holds annual awards dinners that benefits the Operation Kids program. The past honorees have included distinguished civilians, corporate, law enforcement and public officials.
