EXECUTIVE DIRECTOR'S MESSAGE

May 3, 2023

Dear NPDF Members & Supporters:

I want to welcome and thank all our valued members, sponsors, and guests for attending and supporting our 2023 Annual Awards Dinner.

The National Police Defense Foundation (NPDF) continues its mission in "protecting and supporting" the efforts of law enforcement officials nationwide and internationally. For example, in 2022, the NPDF had another legal defense victory in the acquittal of Atlantic City K-9 Detective Sterling Wheaton who was charged with federal civil rights violations because his police dog bit a suspect who repeatedly punched the canine.

As for our Safe Cop program, the NPDF continues to post its \$10,000 reward for public information leading to the arrest and conviction of any person who shoots at a law enforcement officer.

In November 2022, the NPDF saw fit to fund the funeral of CBP Marine Interdiction Officer Michel Maceda who was killed in the line of duty on November 17, 2022, during a gun battle with drug traffickers in Puerto Rico.

In February 2023, the NPDF provided a Safe Cop reward to Ms. Angela Walker, a health care professional, who was credited for saving the lives of two Newark Police Officers. On February 2, 2023, Ms. Walker while driving her car noticed one of the officers on the ground bleeding out. Without hesitation, she stopped her car and in the line of fire, provided life-saving assistance to the injured officers. She is truly a real-life hero well deserving of recognition!

Tonight, I'm honored to recognize all our distinguished honorees and scholarship recipients. One honoree is U.S. Border Patrol Agent Jacob Alberato who will be receiving our Valor Award". Agent Alberato while off-duty learned about the active shooting massacre at the Robb Elementary School in Uvalde, Texas where his wife was a teacher, and his daughter was a 2nd grade student. The agent without hesitation and at great personal risk, entered the school and helped several children escape death out a class window.

It's rewarding to note that the National Police Defense Foundation is celebrating its 27th anniversary. The NPDF has accomplished its mission in protecting and supporting law enforcement officers worldwide. Much of our success is a direct result of my staff and my wife, Angela who inspired me to start the foundation in 1995.

It has also been a special year for me personally, having been knighted by the Vatican for my humanitarian efforts, as well as publishing my memoirs as a federal agent which explains the reasons why I established the NPDF.

In conclusion, please enjoy tonight's festivities, you all deserve it, and help the NPDF proudly recognize and applaud these distinguished award recipients well deserving of recognition.

Fraternally yours,

Joseph Occhipinti

PERSON OF THE YEAR AWARD

Mick McHale

National President

*National Association of Police Organizations
(NAPO)*

The National Association of Police Organizations (NAPO) is a coalition of police unions and associations from across the United States and was organized for the purpose of advancing the interests of America's law enforcement officers through legislative advocacy, political action, and education.

Increasingly, the rights and interests of law enforcement officers have been the subject of legislative, executive, and judicial action in the nation's capital. From issues of federal funding of State law enforcement and anti-terrorism efforts to federal policy on employee health, pension and other benefits, the actions of Congress and the Administration significantly impact public safety interests. These interests must be vigorously protected when considering the vital role law enforcement officers play in maintaining the peace and security of American society. NAPO works to influence the course of national affairs where law enforcement interests are concerned.

Founded in 1978, NAPO is the strongest unified voice supporting law enforcement officers in the United States. Michael "Mick" McHale serves as the National President of the National Association of Police Organizations. Mick is currently a Police Officer at the Sarasota Bradenton International Airport and recently retired as an Administrative Sergeant in charge of the Canine, Marine Patrol, Traffic Unit and Honor Guard for the City of Sarasota Police Department, Sarasota, Florida. Mick is the President of the Southwest Florida Police Benevolent Association and Senior Vice President of the Florida PBA. Prior to becoming President of the National Association of Police Organizations (NAPO), Mick served as Executive Vice President, Recording Secretary, Area Vice President, and Sergeant at Arms. Mick has also served on several committees, including as Chairman of the Committee on Political Education, where he was responsible for overseeing the evaluation and endorsement of candidates for elective office across the country.

Mick began his career with Sarasota P.D. in 1990 and has served as a Patrol Officer as well as a Narcotics Detective (for 10 years), prior to being promoted to Sergeant. Mick also served as a Commissioner with the State of Florida Criminal Justice Standards and Training Commission for a six (6) year period after being appointed as a rank-and-file representative by then-Governor Charlie Crist.

The National Association of Police Organizations represents some 1,000 professional police associations and units and 241,000 sworn officers throughout the United States. NAPO serves its members through the advancement of federal legislation and policy, legal advocacy, and education.

LIFETIME ACHIEVEMENT AWARD

Ricky Patel

*Special Agent in Charge
U.S. Department of
Homeland Investigations
New Jersey*

Ricky J. Patel currently serves as the Special Agent in Charge (SAC) for the Homeland Security Investigations (HSI) Newark Field Office. Mr. Patel has oversight of the full spectrum of investigative activities of over 260 investigators, comprised of special agents, intelligence analysts, task force officers and administrative personnel throughout the State of New Jersey. This includes management of personnel located in Newark, Trenton, Cherry Hill, Atlantic City, as well as among the largest seaports and airports in the United States.

As the Special Agent in Charge of HSI Newark, Mr. Patel manages all of HSI's complex federal law enforcement investigative programs related to national security and smuggling violations, including counter-proliferation, financial crime, commercial fraud, human trafficking, human smuggling, narcotics smuggling, transnational gangs, cyber-crime, child exploitation, and document and benefit fraud investigations. Prior to this position, Mr. Patel served as the Acting Special Agent in Charge for the HSI New York Field Office.

Mr. Patel previously served as the Deputy Special Agent in Charge for the HSI New York El Dorado Task Force (EDTF) division. The HSI New York El Dorado Financial Crimes Task Force is comprised of over 300 members from more than 30 federal, state and local law enforcement agencies in New York and New Jersey – including special agents, state and local police investigators, intelligence analysts, and federal prosecutors, focusing on different aspects of criminal activity and financial crimes to include narcotics related money laundering, general financial fraud, and cyber related fraud/crime.

Prior to his assignments in New York, Mr. Patel was the Section Chief for the Law Enforcement Systems Section in HSI Headquarters. In this capacity, Mr. Patel oversaw a \$30 million annual budget for contracts and programs to facilitate the development and maintenance of law enforcement information technology systems. He has played an integral role in managing, innovating, and rolling out investigative systems necessary for HSI personnel worldwide to accomplish the HSI mission.. Mr. Patel began his federal law enforcement career with HSI Newark as a Special Agent where he served both as a case agent and undercover operative, in multiple investigative disciplines to include document and benefit fraud, money laundering, weapons trafficking, counterproliferation, transnational gang activity, narcotics smuggling/trafficking and human smuggling/trafficking investigations. Mr. Patel possesses a Master's Degree in Human Resource Management with a focus in police studies from Seton Hall University and a Bachelor's Degree in Justice Studies from Montclair State University

DISTINGUISHED MEMBER AWARD

Dr. Robert Ghalili
NPDF Police Surgeon

Dr. Robert Ghalili is a renowned Periodontal Surgeon practicing in the NY metro area. Many 911 heroes and First Responders have sought comprehensive dental care from him and his highly professional staff at their Old Bridge, New Jersey location.

Dr. Ghalili was educated at Brandies University, having entered college at the young age of 16, where he went on to earn many honors and awards. He then attended Tufts Dental School, and Rutgers School of Dental Medicine (UMDNJ). He was awarded a fellowship at Harvard University where he studied the field of dental implants. Dr. Ghalili also holds several patents in both the dental as well as bio medical field and he is involved in several business ventures that help people live healthier lives. He has developed products that have healed a wide range of conditions from dehydration to joint inflammation. Dr. Ghalili's expertise in cell regeneration has led to his service as a member a research team at Louisiana State University.

Dr. Ghalili has been the team dentist for the New York Yankees and is the proud owner of a World Series ring. He has worked closely with former Yankee manager Joe Torre to advocate tirelessly for the victims of domestic violence.

The Doctor is also committed to helping law enforcement officers who are injured in the line of duty. In one recent incident, Dr. Ghalili learned about the sad incident involving a US Border Patrol Agent who was killed during a shootout with drug smugglers on the high seas when he and other agents were attempting to board their boat. Because of a quirk in the Officer's status due to a recent divorce, no funds were available for his funeral and interment even though he was killed in the line of duty. Dr. Ghalili, and his colleague Dr. Heller, both underwrote the entire cost of the NPDF providing Agent Michael Maceda with a dignified funeral and burial.

Dr. Ghalili is active in many other charities as well. His daughter, Emma, is training to become a medical doctor as well and she has dedicated her participation in the NYC Marathon to helping underserved communities. His three sons are all involved in sports, and they also spend time volunteering. Dr. Ghalili and his wife, Natasha, reside with their family in Manhattan.

BUSINESS PERSON OF THE YEAR

Joni Capobianco
CEO, AMG Demolition

18 years ago, Joni Migliaccio, mother to three children suffered an immense loss with the sudden passing of her husband Greg. This left her in a financially insecure state. Afraid and unsure of the next step, Joni found herself with an opportunity to work on a small demolition project. In turn, she opened and incorporated AMG Demolition in November of 2008.

Being a woman in this rather competitive field, would not be a simple expedition. Once becoming certified State and City WBE and Federal DBE, she was given the opportunity to bid her first large project which was Medgar Evers College Youth Collective Building with the Dormitory Authority State of New York. This was a project set aside for small, minority businesses only. This proved to be the door opening to Joni and AMG's successful future.

After completing the first large project, AMG focused on working with DASNY projects solely. AMG was awarded jobs both small and large for the next few years. These included jobs such as City College, Brooklyn College, Queensborough College, John Jay, Kingsborough College, Bronx Community College and more work at Medgar Evers College to mention a few. AMG was given the opportunity to do small interior projects and had the faith of DASNY to perform large total demolition work. DASNY's OPG team truly helped the AMG team whether involving field or office staff guidance and each experience was a true pleasure. The DASNY "door" was always open on any issue on any level. Paul Williams, then President of DASNY, Michael Clay, Director of the Opportunities Program and the OPG Team have always been available and embrace AMG Demolition and gave us the direction to further along our company which lead to our success. A final assessment of the contractors performance is available to all agencies upon DASNY project completion and this provided AMG with further opportunity to branch into work with other agencies as well. AMG is union affiliated with locals such as 14, 15, 66, 79, 138, 235 and 731 to name a few.

Now, in 2023 AMG continues to do work with DASNY but has also completed some of the largest programs in New York City including MTA Enhancement Station Initiative for subway systems throughout the city (AMG has taken down multiple large buildings for the MTA as well as Clifton Shops), AMG has taken down dozens of buildings for the DEP and have done hundreds of interior demolition jobs for hospitals, the School Construction Authority, The Port Authority, GOSR, CUNY and DDC. AMG has completed projects such as Manhattan Psychiatric Center which is a 25 story facility including full removal of facade and full gut of the building. AMG has done a full gut of the New York State Insurance Fund. AMG was also awarded the total demolition of 200 homes destroyed by Superstorm Sandy in Staten Island and Long Island (for GOSR). AMG completed a multi-story demolition project at 270 Park Avenue with Northstar Contracting. During the most recent Covid-19 Pandemic, Joan Capobianco and the AMG Team worked tirelessly at multiple Emergency Hospital Projects across the 5 Boroughs and Long Island to assist in the effort. Currently AMG is working on project locations including Kingsborough Court House, Various MTA Projects, JFK Projects, as well as SCA and NYCHA work.

10 years ago, AMG was awarded their first \$1,000,000.00 contract and now has \$25,000,000.00 in work in progress for 2023.

On a personal note for Joni, this success has put her in a position to provide her three children with opportunities of their own. Her oldest daughter works alongside her at AMG as Project Coordinator. Her son was able to see her work ethic firsthand and thus completed college and opened an exterminating firm of his own. Her youngest daughter currently holds a Masters Degree in Sociology and has obtained her PhD. Her professional accomplishments have truly benefited many lives. After 8-9 years of establishing her business, Joni met her soul mate and love of her life Phillip Capobianco who at the time was Vice President of Local 138. Last year, Phillip retired from the Union and now works alongside Joni handling daily operations. His son Anthony started with AMG in 2019 as an Estimator and is now a Project Manager at AMG handling all new AMG Accounts. His son Mark is currently employed with Sunbelt Rentals. Joni feels her life is now come full circle and is complete in success, business and love along with accomplished children. AMG Demolition is a true family business and employes dozens of people some of which were on staff from the very start and continued to grow with us.

21 Kilmer Drive, Bldg 2, Suite C

Director Occhipinti:

I am writing today in order to once again thank the National Police Defense Foundation for their outstanding contribution to public safety professionals across our great nation. Having personally witnessed the great work your staff performs year after year for first responders and other law enforcement professionals; I feel it prudent to speak to one case in particular wherein your foundation went above and beyond for one of our own ATF agents. On October 5, 2021, SA Daniels was shot in the line of duty and gravely injured during a planned enforcement operation in the Nashville area..

This operation resulted from an ongoing Federal Investigation of a known violent felon believed to be responsible for multiple shootings in the Nashville area. As the tactical team attempted to stop the suspect vehicle in order to effect the arrest of the main target: over 40 shots rang out from the suspect vehicle in the direction of law enforcement. SA Daniels was struck just above his eyebrow, and the bullet travelled into Adam's brain; miraculously SA Daniels survived this shooting, however he was left permanent disabled.

The National Police Defense Foundation was the first to step up and offer assistance; eventually setting up and orchestrating a highly successful charity concert in Adams name. The work performed by the NPDF on behalf of SA Daniels and his family has already generated several hundred thousand dollars in donations which are being used to help SA Daniels live his best life possible. None of this would not have been possible without your leadership and concern and for that I would like to personally thank you.

Sincerely

SAFE COP PROGRAM

In 1995, the NPDF established the federally trademarked and congressionally recognized "Safe Cop" program in an effort to address the serious increase of armed assaults on law enforcement officers nationwide. This law enforcement initiative posts up to a \$10,000 reward for public information leading to the arrest and conviction of any person who shoots at a law enforcement officer. In addition, the program has been instrumental in providing critical medical care, financial assistance and death benefits to law enforcement personnel either seriously injured or killed in the line of duty. Below is a list of officers the NPDF has provided services and posted rewards for over the past two decades.

Posted Safe Cop Rewards

It is the procedure of the Safe Cop program that the NPDF is immediately notified when there is an armed assault or shooting death of a law enforcement officer and the suspect is either at large or unidentified. The NPDF immediately contacts the appropriate Police Chief or high ranking official to offer the \$10,000 Safe Cop reward. The foregoing are descriptions of \$10,000 Safe Cop rewards that have been posted by the NPDF at an official department press conference or media interview. It should be noted that these Safe Cop reward posting is credited for the NPDF in developing important police liaison nationwide since 1995.

SAFE COP Support Services For Disabled and Slain Officers

The NPDF expanded the "Safe Cop" program to provide critical medical care, financial assistance and death benefits to law enforcement personnel either seriously injured or killed in the line of duty.

NPDF FUNDS FUNERAL FOR HERO DHS CUSTOMS AGENT KILLED IN THE LINE OF DUTY

The National Police Defense Foundation (NPDF) established the CBP Marine Interdiction Agent Michel Maceda, who was killed in the line of duty on November 17, 2022. The hero agent was shot and killed during a maritime narcotics interdiction operation near Cabo Rojo, Puerto Rico. He and two other agents intercepted a vessel they believed to be transporting narcotics. One of the occupants of the vessel opened fire on the agents as they began to board it. All three agents and both suspects were shot during the ensuing melee. Over thirteen hundred kilograms of cocaine were recovered from the boat the agents were attempting to board. The NPDF came to the aid of the agents family by paying for the entire cost of his funeral and interment.

DONATION OF SLAIN POLICE DOG TO SLIDELL (LA) POLICE DEPARTMENT

On October 30, 2022, the National Police Defense Foundation established a canine memorial fund for the Slidell, Louisiana Police Department who tragically lost K-9 "Kano" on August 11, 2022 in the line of duty. K-9 Kano were dispatched to a burglary/theft in progress. Upon arrival the suspect fled on foot and entered a wooded area. K-9 Kano tracked the suspect and eventually apprehended him. Shortly thereafter K-9 Kano became lethargic and was having trouble breathing. The dog was rushed to an animal clinic and was diagnosed with spleen cancer. Kano died due to extreme exertion compounded by the cancer. The NPDF donated funds to the Slidell Police Foundation to help donate a new police dog to the department.

ATF S/A ADAM DANIELS FAMILY SUPPORT FUND

On October 5, 2021 ATF Special Agent Adam Daniels of the Nashville field office was shot and critically wounded in an intense gun battle with a gunman who was out on parole at the time. At the request of the ATF, the NPDF established a family support fund to assist his family who was incurring substantial expenses in providing care and comfort to Adam. Fortunately, Adam miraculously survived his injuries and after long-term rehabilitation is walking again. As a result of the efforts of the NPDF and the generosity of its members and supporters, ample funds were raised to help provide that financial support to Adam's family. S/A Daniels is being recognized for his valor as the 2022 NPDF Man of the Year.

ATF SAC TIM JONES FAMILY SUPPORT FUND

In December 2021, ATF SAC Timothy Jones of the Baltimore field office was diagnosed with a rare blood cancer which causes cancerous plasma cells to collect in the bone marrow. SAC Jones' treating physicians recommended that he seek stem cell therapy at The Dana Farber Cancer Institute in Boston, Massachusetts which is world renowned for cancer treatment. At the request of the ATF, the NPDF established a family support fund to assist his family who was incurring substantial expenses in providing care and comfort to Tim. As a result of the efforts of the NPDF and the generosity of its

**POLICE OFFICER SCOTTY HAMILTON
PIKESVILLE KY POLICE DEPARTMENT**

On Tuesday, March 13, 2018, while conducting patrol with other officers, Officer Scotty Hamilton encountered a suspicious vehicle. The area was known for drug-trafficking incidents where officers were maintaining a presence. Officer Hamilton went up an embankment and was shot in the head and pronounced dead at the scene.

**DEPUTY SHERIFF SGT. DANIEL SCOTT BAKER
DICKSON COUNTY SHERIFF'S OFFICE, TENNESSEE**

On May 29, 2018, a male resident in the Sam Vineyard Road area off Tidwell Switch Road reported seeing a suspicious vehicle. Deputy Sheriff Sgt. Daniel Scott Baker responded to the call, but after a period, failed to check in with dispatchers. Officer Baker's vehicle was tracked by GPS, and an officer with another agency was able to find it in a wooded area about two miles away from the initial call. Baker was found dead inside. The NPDF offered to post a \$10,000 reward for the capture of the shooting suspect and the suspect has been apprehended pending prosecution.

**POLICE OFFICER TYLER HORN
STATESVILLE NC POLICE DEPARTMENT**

On June 15, 2018, Officer Tyler Horn and his partner were on foot routine patrol when a man came out of the shadows and shot Officer Horn in the back. His bullet proof vest took the brunt of the gunshot. The officer was taken to Iredell Memorial Hospital, treated and released.

**POLICE OFFICER MICHAEL HALE
SELMA AL POLICE DEPARTMENT**

On September 23, 2018, Michael Hale, a 10-year veteran of the police department, was shot. The bullet penetrated his vest, but did not hit any vital organs. Officer Hale sped away once he realized that he was being ambushed, but due to his injuries, lost control of the vehicle and crashed approximately one block from the ambush location. The injured policeman radioed for help and a fellow officer rushed him to Vaughn Medical Center in Selma where he was airlifted to a hospital in Birmingham.

**POLICE OFFICER ANTWAN TONEY
GWINNET COUNTY GA POLICE DEPARTMENT
END OF WATCH: OCTOBER 20, 2018**

On October 20, 2018, Officer Antwan Toney and his partner were responding to a call regarding a report of people smoking marijuana near the middle school. As the two officers approached the vehicle, shots rang out and Officer Toney was struck. His partner dragged him to safety where he was taken to Gwinnett County Medical Center and was pronounced dead. One assailant was arrested and charged with Aggravated Assault and another assailant is still at large.

NEWMAN CA POLICE CORPORAL RONIL "RON" SINGH NEWMAN POLICE DEPARTMENT

On December 27, 2018, Corporal Singh was shot and killed by an illegal immigrant during a traffic stop for a drunk driving investigation. He was shot after radioing that he was pulling over a gray pickup truck with no license plate. The suspect was apprehended and the prosecution is pending.

BLUEFIELD VIRGINIA POLICE OFFICER

On February 16, 2019, an unidentified police officer was shot during a routine traffic stop by the passenger of the vehicle. The officer was taken to the hospital and treated for serious, but not life threatening injuries. The driver got out of the vehicle and surrendered, however, the passenger identified as Donquale M. Gray got behind the wheel and sped away. The NPDF was contacted by the U.S. Marshals where the Safe Cop reward was posted and on March 7, 2019 the suspect was reportedly killed during a shootout with federal agents.

ECUADORIAN CORPORAL ANGELICA BORJA

In February 2012, NPDF officials were asked by Police Administrators at the Ecuadorian Police Hospital in Quito to help 30 year old Corporal Angelica Borja who was victim of a "hit & run" accident that occurred in September 2009 during a police stop of a motorist. In August 2012, the NPDF successfully arranged and procured for Corporal Borja a prosthetic limb that enabled her return to Ecuador where she continues to perform her law enforcement duties as a Police Officer.

ECUADORIAN POLICE CORPORAL NANCY CHOTO

On April 7, 2013, the NPDF at the request of the Commanding General of the Ecuadorian National Police brought into the United States Corporal Nancy Choto for a prosthetic leg after she was the victim of a hit and run accident in May 2012. The injuries led to the amputation of her leg and she was further traumatized when her husband took his life distressed by her injuries and disability. In May 2013, Corporal Choto received her prosthetic leg through the efforts of the NPDF and returned to Ecuador where she continues to perform her law enforcement duties as a Police Officer.

DOMINICAN POLICE COLONEL BIENVENIDO PEREZ (RET)

In April 2018, NPDF Delegate to the Dominican Republic Col. Bienvenido Perez while visiting the United States had a medical emergency. He was admitted to a New Jersey hospital where he was diagnosed for having a 99% blockage of his Carotid artery, which would have resulted in a stroke and or heart attack. NPDF officials immediately arranged for their delegate to undergo an emergency operation that is credited for saving his life. The NPDF also established a medical fund and arranged for full payment of his medical treatment in the United States.
